

## D10YB 3/8" Right Angle Drill, 4.6 Amp, Dial-in EVS, Reversible

**HITACHI**  
Inspire the Next

### Features

- 4.6 Amp motor, tough power for odd angle applications
- 3-1/4" head, low profile for easy access in tight spaces
- 3.3lbs, lightweight and compact for greater ease of use
- Small grip circumference, designed for maximum maneuverability
- Contractor-grade cast aluminum gear housing, adds durability and efficiently dissipates heat
- Slide switch design, with trigger lock for continuous operation
- Removable side handle, increases operability and control
- Preferred for plumbing/electrical applications

### Includes

- Side Handle (956633)
- Chuck Key (319070)

### Specifications
